

Simply Better Learning

The Challenges of DSA: A User's Guide & Teaching Large Mixed Ability Classes

12th April 2016

15.30 – 17.30

ITCG Loperfido-Olivetti
Viale Aldo Moro, 28
MATERA

PROGRAMME

- | | |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 15.30 – 15.40 | Registration |
| 15.40 – 16.25 | The Challenges of DSA: A User's Guide
Understanding and developing key strategies, and practical tips when teaching classes with students with DSA. This seminar will provide insights into what a student really sees and understands as well as how we as teachers can provide the support for learning success. |
| 16.25 – 16.45 | Coffee break & book display |
| 16.45 – 17.30 | Teaching Large Mixed Ability Classes
Strategies and classroom management techniques through practical ideas and activities including how we integrate easy to use digital tools to really aim for success with the whole class in English. |

Emily Gregson, Cambridge University Press ELT Consultant
